

God, You are my God

God, You are my God,
And earnestly I seek You.
God, You are my God,
And my spirit thirsts for You.

I hunger for You who have loved me,
You who have giv'n Yourself for me.

Oh God, You are my help,
And my soul will cling to You.
Great is Your right hand,
You will be my strength and joy.

I know that Your cross will not fail me,
Jesus, the Ransom, for my soul.

I know that Your grace is my glory,
And You are my beautiful Reward.

Chorus

*Because Your love is better than this life,
I will lift my hands and bless Your name.
Because Your love is better than this life,
I delight in You and in Your praise.*
