

# How Wonderful

Matt Giles © 2010 Honeycomb Music Publishing Ltd

## Verse 1

I was far off when You called me,  
And a stranger to Your love.  
I had squandered all Your goodness,  
I was broken and undone.

## Verse 2

When my future seemed so hopeless,  
And so futile without God.  
There came Jesus to lead me homeward,  
And as we come home, Father runs.

## Chorus

*How wonderful to call You Father,  
How merciful my Father's love.  
I might have hoped to be Your servant,  
But You delight to call me son.*

## Verse 3

I am brought near when You call me,  
I am welcomed to Your love.  
You are lavish with Your goodness,  
You have healed me through Your Son.
