

# I Need Your Love

Lord, on my own I'm weak,  
I have to know Your love  
So that You can make me strong.  
Show me how deep the love  
That reached the deepest depths  
To atone for all my wrongs.

I want to know Your fullness God,  
Come fill me with Yourself.

## **Chorus**

*'Cause Lord, I need Your love,  
Always need Your love,  
Always needing more of You Jesus.*

Oh Lord, Your love is high,  
It's higher than the heavens,  
And lasts longer than all time.  
Breadth no-one can tell,  
But glimpsed upon a cross,  
In Your arms nailed open wide.
