

Sealed

Where I find myself I could not come alone,
It was Jesus brought me here unto Your throne.
If it was not for Your call,
I could not have come at all.

I was sealed in Christ the instant I believed,
By the Spirit's work, my future guaranteed.
So now I press on in faith,
Knowing I am fully saved.
Fully saved.

Chorus

*You have sealed me with Yourself,
All the fullness of Yourself!
Working in me all for Jesus' glory.
He who raised me up with Christ,
Surely holds me in His might.
God is for me, all for Jesus' glory.*

My assurance rests on Christ who conquered death,
Christ who bore our sins and rose again for us.
Christ the firstborn from the grave
Christ whose life has fully saved.
Fully saved.

Open my eyes to see how great
The hope You called me to;
How high, how wide, how deep and long
The love that binds me to You.
